Pro se Applicant requests constructive assistance from Examiner. Applicant wishes to provide a clearer perspective between teachings of Applicant and Prior Art. Claim 36 is of different rationale because it does not include step of any error condition such as file not found, but rather shows how search engine results can be accessed as added value in addition to accessing web page after successful resource location request. Applicant wishes to show draft claims in an attempt to put in condition of allowance. Applicant wishes to point out evidence of commercial success as reflected in US 6,526,402 which has a later filing date.

**This form should be completed by applicant and submitted to the examiner in advance of the interview (see MPEP § 713.01). This application will not be delayed from issue because of applicant's failure to submit a written record of this interview. Therefore, applicant is advised to file a statement of the substance of this interview (37 CFR 1.133(b)) as soon as possible.**
